During the quarter, there has been no change in the status of the property tax review petition pending before the Supreme Court against its order dated December 16, 2016 relating to Mobile Communication towers. In absence of any demand for majority of the towers, pendency of various petitions challenging the component of tax and Shashti (penalty) and also the Company's right to recover the property tax amounts from certain customers, the Company is unable to quantify the property tax amount, if any to be borne by the Company and accordingly no provision for the same has been made at this stage and the same will be recognized as and when the matter is settled. Further, the Supreme Court vide an interim order dated January 25, 2018 held that Shasti cannot be equated with the property tax amount. In respect of the above, the auditors have issued a modified report.

The scheme of Arrangement for the merger of Chennai Network Infrastructure Limited (CNIL) with the Company (the scheme) has been approved by the National Company Law Tribunal ("NCLT") at Mumbai and by National Company Law Tribunal ("NCLT") at Chennai vide their order dated December 15, 2017 and December 13, 2017 respectively. Upon the filing of these orders with the Registrar of Companies, Mumbai and Registrar of Companies, Chennai the scheme became effective from December 22, 2017 having the appointed date April 1, 2016. The scheme has been accounted under the pooling of interest method with effect from appointed date as per the above mentioned NCLT orders and accordingly the comparatives for the earlier periods / year have been restated. In terms of the scheme the Company's investment (through Tower Trust) in CNIL stands cancelled and 7,58,88,19,117 equity shares of ₹ 10 each fully paid up have been allotted to the other shareholders of CNIL as on January 27, 2018. Subsequent to the allotment of these equity shares, the Company's Paid Up Equity Share Capital stands at ₹ 12,12,527 lakhs. Chairman Additional information not forming part of the unaudited statement of standalone financial results for the Quarter and Nine Months Period

1. On January 2, 2018, the Company has received a notice from Aircel informing about Aircel's surrender of licenses in 6 circles and consequently seeking to terminate services in the said 6 circles, Aircel currently has 23,726 tenancies with the Company. Exit notice was received for 1994 tenancies pertaining to these 6 circles and such increase further. In respect of these circles and others, the Company believes that it has binding long term contractual lock in arrangements with Aircel. The Company has initiated legal proceedings against Aircel in an endeavor to protect its rights/claims under these arrangements and has demanded compensation for whole of the balance period for the tenancies in these circles for recovery of ₹ 91,594 lakhs (including wrongful termination and outstanding as of the date of application). While the Company has unambiguous contractual protection, there are some apprehensions regarding Aircel's financial viability. As on the date, Aircel has failed to pay monthly infrastructure provisioning

infrastructure provisioning claims, is contingent on Aircel's ability to pay. 2. During the quarter, due to significant events beyond the management control such as, announcement of merger between Tata and Airtel, shutdown of wireless business by Reliance Communications (including SSTL), there has been a loss of 2,314 tenancies of Tata teleservices, Reliance Communications & SSTL. This has affected the revenue of the Company for the guarter. The continued impact of these external circumstances which are adversely affecting the telecom sector, will continue to be felt during the next quarter and next financial year.

fees from November 2017 onwards and the outstanding overdues are in excess of ₹ 30,000 lakhs. Our ability to recover our outstanding dues and future
