Hind Rectifiers Ltd. appoints Mr. Manoj Nair as the Chief Executive Officer

Mumbai, 10th October 2025: *Hind Rectifiers Limited, a leading manufacturer of Power Semiconductors, Power Electronic Equipments and Railway Transportation Systems, has announced the appointment of Mr. Manoj Nair as Chief Executive Officer (CEO) and Key Managerial Personnel (KMP) of the Company.*

In his new role, Mr. Manoj Nair will oversee the company's overall operations and drive the Company's growth strategy. Mr. Nair brings with him **over three decades of rich and diversified leadership experience across manufacturing, power, infrastructure, and technology-driven businesses**. He is recognized for his **strategic vision, customer orientation, and proven ability to deliver sustainable growth**. With a strong track record of scaling businesses, leading digital transformation, and building future-ready organizations, he remains deeply focused on **creating long-term value in an evolving global landscape**.

Before joining Hind Rectifiers, he served as Chief Executive Officer of IIMS Limited, a CK Birla Group company, overseeing overall business strategy, growth, and operations. Prior to this, Mr. Manoj spent a significant part of his career with Cummins India Ltd., where he held multiple senior roles. As Vice President of the Power Generation Business, he was instrumental in strengthening the company's presence in the Indian market and leading the launch of industry leading solutions. Earlier, as Director of the Industrial Business, he successfully steered and grew businesses across varied market segments such as **rail, marine, mining, oil & gas, defense, and pumps**.

Throughout his career, Mr. Manoj has overseen large P&L portfolios, led cross-functional teams, and successfully managed complex business transformations. He is widely respected for his ability to build high-performing teams, champion talent development, and foster industry collaborations that drive long-term success.

Commenting on his appointment, **Mr. Suramya Nevatia, Chairman and Managing Director of Hind Rectifiers Limited, said,** *"We are pleased to welcome Mr. Manoj Nair as the Chief Executive Officer of the Company. His rich and diverse industry experience and proven track record in driving operational excellence and transformation make him a valuable addition to our company. We are confident that his strategic insights and leadership acumen will further strengthen our growth trajectory and enhance execution capabilities across the company."*

Speaking about his new role, **Mr. Manoj Nair added,** *"I am delighted to join Hind Rectifiers at such an exciting phase in its journey. The company has established a strong legacy in power electronics, driving India's rail, transport and industrial modernization and I look forward to working with the team to drive innovation, strengthen operations, and create greater value for our customers, partners, and stakeholders."*

About Hind Rectifiers Limited:

Hind Rectifiers Ltd (HIRECT) was established in 1958 in partnership with Westinghouse, Brake & Signal, UK, it has grown over the past 67 years to become a major player in the engineering and manufacturing sectors.
